

BETHLEHEM LANDFILL COMPANY ENVIRONMENTAL SCHOLARSHIP APPLICATION

Bethlehem Landfill Company is part of Waste Connections, an environmental services company dedicated to the collection, transportation and disposal of non-hazardous residential, commercial and industrial waste and to recycling in the communities it serves. Waste Connections prides itself on its community involvement, environmental awareness and its strong commitment to personalized customer services.

The Bethlehem Landfill Company is pleased to promote environmental awareness by offering a scholarship in the quantity of \$1,000 to a graduating senior. The selected student needs to be accepted at a post-secondary school and have plans to pursue a degree pertaining to the environmental science or engineering field.
