

Young Life Camp FAQs

Is there a health form?

Yes! The health form can be found at this [link](#). You will have to create an account (separate from the account you may have for YL payments) and then can fill out the form online. Our area name and number is Grand Rapids Southwest - MI225.

Do I have to do the online health form or can I fill out a paper one?

The health form must be filled out online.

Is a physician's signature required for my trip?

A physician's signature is required for the following:

- Anyone attending camp in Colorado, Minnesota, or Canada (Wilderness/RMR Backcountry, Castaway, or Beyond Malibu)
- Any teen who is pregnant or has given birth within 12 weeks of the camp date.

Where can I find the physician's signature form?

There is a specific form that will be created for you once you finish the online health form. If you do not save it when you initially finish the health form, you can log back into your account and find it.

Can I just turn in a sports physical form?

No. There is a specific form that will be created for you once you finish the online health form that says the camper has completed a physical in the past 12 months. The only option for getting a physician's signature is bringing or sending this specific form to the doctor and having them fax it directly to the number on the sheet, 866-381-4156. The form can be signed by a doctor, physician's assistant, or nurse practitioner.

What is the refund policy if my camper can no longer go on a trip?

Deposits will be fully refunded until March 25. After March 25, there will be no refund for a deposit or other payments made. This is necessary for us as we are financially committing to spots as camp gets closer. There may be some exceptions for medical reasons or family emergencies - please reach out to our office with questions if you are in this situation.

What do I need to pack for the trip?

A specific packing list will be emailed to you during the month leading up to the trip. See the below generic packing list for most Young Life summer camp trips to give an idea of what to bring.

Are there fundraisers available for camp?

Yes! We will do area-wide fundraisers during the spring, and some schools also offer fundraisers for their specific students going to camp. Talk to a leader at your high school about fundraising options, and visit the fundraising page on this website.
