

Blessed is the Lord who has not left you without a redeemer today...may he also be to you one who restores life.” Ruth 4:14-15

Young Life is inviting widows from all walks of life and all seasons to a safe place to grieve and heal while learning a different way to live a joyous and productive life. All are welcome.

The vision is to establish a program that connects them with other widows; provides resources on how to navigate through this new world emotionally, spiritually, and financially; create and provide opportunities for women to engage their heart for Young Life in ways that value their calling, gifts, abilities, skills, education, resources, and life experiences.

We accomplish this through

- Monthly zoom conversations with other widows
- Quarterly newsletters
- Website with resources for widows
- Training and website for Young Life staff on how to care for, encourage, and communicate with sensitivity
- Yearly retreat
